ABOUT THE BOOKS

The way to executive leadership in Corporate America is a struggle for women of color according to research, and this current health and economic crises and cultural unrest have ironically presented great opportunity despite the turmoil. The bestselling *No Thanks: 7 Ways to Say I'll Include Myself* and its award-winning second edition, *No Thanks, The Remix*, provide a roadmap of affirmations, coaching and actionable steps women of color can take to not only lead, but lead like a rockstar during this unprecedented time and beyond. Grounded in tenets of positive psychology and based on the career journey of former corporate leader, serial entrepreneur and certified executive & personal coach L. Michelle Smith, the books share a simple roadmap to success while weaving in storytelling of her own and those of her own mentors and sponsors from the C-Suite. She presents insights on knowing one's value, "flipping privilege" to your advantage, leading with excellence and authenticity and even how to deal with microaggressions like "work-jackings" head on. It is the precursor to her daughter's first children's book, *No Thanks for Girls: 7 Ways to Say I'm Beautiful, Strong & Enough*. There is also *SLAY EVERYDAY: 52 Weeks To Rockstar Leadership*, a companion journal to the leadership books. Each is available on Amazon with the original *No Thanks* and *No Thanks for Girls* available at the best booksellers worldwide. You can also ask your favorite independent bookstore to order them. The original edition of *No Thanks* is also available as an audiobook on Audible.
